Draft Indicative Terms of Reference (ToR) for District Environment Coordinator (DEC)/Environment

Coordinator under APART

(A) BACKGROUND & OBJECTIVES OF THE PROJECT

1. The Government of Assam (GoA) through Government of India (GoI) has received a loan from the World Bank for the Assam Agribusiness and Rural Transformation Project (APART). Assam Rural Infrastructure and Agricultural Services (ARIAS) Society is the apex coordinating and monitoring agency for APART. For smooth implementation of APART, eight Core Project Implementation Units (CPIUs) have been set up in the participating Administrative Departments and 15 Operational Project Implementation Units (OPIUs) have been established in the participating Commissionerate/ Directorates/Agencies. ARIAS Society now intends to apply a portion of this loan for engagement of 9(eight) **District Environment Coordinator (DEC)/Environment Coordinator** on contractual basis to be positioned at District Agricultural Technology Management Agency (ATMA) offices/OPIUs.
 2. The development objective of APART is “add value and improve resilience in selected agricultural value chains, focusing on smallholder farmers and agro-entrepreneurs in targeted districts of the State of Assam”.
 3. There are four components to the APART. **The first component is Enabling Agri Enterprise Development**, with sub components being (i) enhancing state capacity to attract private investments, (ii) Setting up an Agribusiness Enterprise Development and Promotion Facility (EDPF) (iii) Agribusiness Investment Fund (AIF) support (iv) establishing sector stewardship councils. **The second component is Facilitating Agro Cluster Development** with subcomponents being- (i) support establishment of cluster level Industry Associations(IAs), (ii) supply chain support. **The third component is Fostering Market Led Production and Resilience Enhancement** with sub components being (i) promoting climate resilient technologies and their adoption (ii) facilitating market linkages through market intelligence and product aggregation (iii) facilitating access to and responsible use of financial services. **The fourth component is project Management, Monitoring and Learning.**
 4. The project will achieve the PDO by: (i) promoting investments in agri-enterprises, reducing the business and transaction costs, facilitating access to finance for agribusiness entrepreneurs, and, where appropriate, push for process, regulatory and/or policy change; (ii) supporting the development of a modern agri supply chain; improved information communication technologies (ICT) based farm information and intelligence services, and alternative marketing channels; and (iii) improving producers’ access to knowledge, technologies and infrastructure so that they are better able to respond to market opportunities and climate variability.
